

Trade Maintenance Solutions

PILBARA | SOUTH WEST

Providing experienced, technical trade teams to perform Non-Process Infrastructure (NPI) building, compliance and maintenance services across Pilbara Blue Chip mining operations.

Mine site infrastructure and building maintenance solutions are at the core of Pindari's capabilities. This portfolio has been strengthened by a three-year contract with Rio Tinto across three mine sites combined with diligent strategic planning, exceptional safety and strong company values.

Pindari consistently delivers the highest standards in scheduled preventative maintenance and reactive maintenance for emergency and unplanned breakdowns as well as cost effective ad-hoc building services.

Pindari's permanent, in-house trade workforce includes qualified Supervisors, Electricians, HVAC/Refrigeration Technicians, Plumbers, Carpenters, Painters and Trade Assistants working in mixed discipline teams to deliver complete maintenance solutions.
